Cindy is working with Sara to get a junior link set up on the website.

Cindy will be able to post ride times on the website in a timely manner.

CDS Annual Meeting

Kathy Young attended the meeting and presented ICC's year end report.

Our gift basket was raffled off and we received a check for \$36.00 for the chapters portion from CDS.

Clinic Discussions:

Kim reported that we had very little interest in the "Got Seat" or "Freestyle" clinics. Many trainers did not return calls. The Board decided against holding these clinics due to lack of interest at this time. Possible other clinicians were discussed. We need someone who is not very expensive but would be a good draw for our membership. The conformation clinic held for juniors only will be expanded to include adults this year.

Awards \ Banquet:

Cindy has confirmed our date of 3/26/11 (Saturday) with Casa Trejo.

Kathy Young received the awards from CDS yesterday.

Raffle donations are to be collected by all Board members for the awards banquet, always a popular fundraiser for our chapter.

Cindy will need a list of items to make boxes for the drawing tickets.

Kathy Pavlich will have Tom solicit All Seasons for a donation.

Kelly Tellez will solicit Inland Vet Supply for a donation.

Menu for the dinner will be: Beef & Chicken taco's. Cheese Enchiladas at a approximate cost of \$13.95PP. Tickets will be \$20.00PP, and each attendee will receive one raffle ticket with their paid entry. Cindy will spend \$20.00 on cookies and dessert items for the banquet.

Amateur Clinic with Donna Richardson:

Application deadline for the amateur clinic must be received by 2/28/11.

Kathy Young will include this information in her chair message.

It will also be highlighted in the newsletter and on the website.

Shows:

The March 6th Pepper Glen show we will call ride times as well as have them posted on the website.

We will stay with 8 minutes between rides, should allow judges enough time for collective marks on the new tests.

Ride times will be done on Tuesday or Wednesday night, 3/1 or 3/2, with ride time calls made by Thursday.

Meeting was adjourned.

Next meeting to be held 6:30 pm Wednesday, March 2 at Kathy Pavlich's home.
