We have had a small loss so far this year.

Discussion on class sponsorships of \$25 at shows, 50/50 drawings.

Advertising rates are listed on the website. We will post a thank you on the boards at shows to our sponsors. We should thank our business sponsors in the newsletter as well.

Newsletter

Dusty suggests an "ideas and tips" section in the newsletter. Anyone who has something that has made their barn life easier can pass it along in this area. He also suggested an email blast for newsletter idea's from membership.

Website

The new chairs message will be given to Cindy after tonights meeting.

Cindy still needs a photo of board members for the website. Please get them to her soon.

Old Business

Ruth reported that the Cowboy Cafe is not available for the August 20th show. Once we have a head count of riders will discuss via email and order sandwiches from Staters.

Nancy will check with Meg to make sure we have enough ribbons, glasses, and high point frames.

We will have an 8:30am start time for the show.

Date in December conflicted with other CDS events. We will move it to January 7th if we can secure a site. We will have the year end awards, and draw our winner and alternates for the adult amateur clinic.
