### Chair Message: Lucia Rapalyea

Hello! My name is Lucia Rapalyea and I am your new Inland Community Chapter Chair. I am looking forward to a great 2008 for ICC. We have several new faces on the 2008 ICC board. I hope that you will be able to make it out for the ICC Banquet in March so you can meet the board and we can meet you. At our last meeting we had a lot on our agenda, lots of planning to do for all of our upcoming events. The first event is our Annual Awards Banquet. We will be awarding 2007 Inland Community Chapter awards as well as giving out 2007 CDS plates and certificates. We also have a very interesting speaker named Cynthia Collins. Cynthia is a freestyle designer and has designed freestyles from 1st level through the FEI levels. Her presentation promises to be entertaining and informative.

We have our first schooling show with our new Show Manager Meg Hammond, at a new location, Proud Horse Stables in Redlands. Please look for the premiums in your mail sometime in the next week. I would also like to invite you to join us for the Adult Amateur Clinic in April which will be held at Shadow Ridge Equestrian Center in Highland. We are working hard on an ICC official website where our membership will be able to check out details on shows, events and more. Until the website is up and running we will have announcement fliers going out to all membership along with emails. So check your mailbox and your email box! I am looking forward to an exciting 2008 and I will work hard for the ICC members in any way that I can.
