Chair Message: *By Lucia Rapalyea*

Hello and hope all is well with the ICC community. Our June show was a lot of fun. Everybody really enjoyed showing for Peggy Klump. We had our "resident" photographer Crista Downey at the show and she got some really fun shots! You can check them out on the ICC website under the photo gallery.

The Olympic Trials in San Juan Capistrano were so much fun to go out and watch. There were so many amazing rides and we were so lucky to have something like that practically in our back yard. I

Selection Trials in San Juan Capistrano

The selection trials have come to an end in San Juan Capistrano and hopefully many of you were able to attend and watch some of America's top horses and riders compete for their chance to represent the United States at the 2008 Olympics in Hong Kong this August. For results and information please log

on to dressageontheroadtohongkong.com or Dressagedaily.com. Another great website that has videos of each of the Grand Prix rides with commentary is Dressagetrainingonline.com. This website charges a monthly membership fee but some of their content is free to view.

Treasurer's Report:

Kathy Pavlich reported on our last two shows: Our May show netted \$449.20 and our June show netted \$984.48. Thank you to all of our members who

made it out to support our chapter and helped to make these shows possible.

Show Report: Heritage Park June 8, 2008

By Meg Hammond

On June 8, 2008 ICC held their Summer Horse Show at Heritage Park in Rancho Cucamonga. It was a good turn out with seventeen riders and twenty nine rides. Our judge was Peggy Klump, who was nice enough to step in at the last minute and help us out tremendously. She was extremely energetic and supportive of our riders. All the riders talked about how informative and educational their comments

were. The turn out of volunteers was amazing and without their support the show would not have run as smoothly as it did. A big thank you to everyone who spent their Sunday afternoon with us! For results visit our website at ICCcads.org.

We are looking forward to the Halloween schooling show October 26th!
