Chair Message:

Hello ICC Membership. Hope you are all enjoying the summer. With fall just around the corner the board is gearing up for our very popular ICC Fall Schooling show to be held at Sundance Ranch October 26th. The board has lots of fun things to report in addition to our fall show. October 19th Lori Johnstone is going to do an equine acupuncture clinic. We are all looking forward to this, and to the opportunity to open our minds to different methods of treatment for our equine athletes! November brings other exciting news! November 22nd Krisi Harrison will be giving a clinic for ICC members at Show Ridge Equestrian

Center in Highland. Krisi is a very talented and accomplished rider, she is also a wonderfully positive and informative teacher. I encourage ALL members to submit their names to the board and give themselves a chance to have the opportunity to ride with such a talented rider and instructor. I look forward to the fall and its upcoming events. If any of you have any questions about what is on our calendar and how to get involved please feel free to contact me. Happy riding, and enjoy the last few weeks of summer!

Thoroughbred Mare for Lease

Abbey Road is a 13 year old TB--that said, she epitomizes the breed and the gender. Opinionated, 'don't bother me when I'm eating' and let's you know when she's not happy--and yet she still knows how to be your best bud and work through all things of the equine/human relationship. She has some dressage training and loves to work, but REALLY loves praise. She is great on trail, except she sees EVERYTHING. Doesn't spook just notices everything.

I simply have too many horses right now, and she needs someone to dote on her and treat her like the queen she is. I am looking for someone to full or partial lease her. No beginners please; although you need not be an expert either. Somewhere in the middle. She is currently in Cherry Valley, but will be coming home to Banning soon. Details negotiable.
